Project No. S-80-3(1056)  
IHC Job No. 392

Mr. Dauk,

Interstate Highway Construction would like to express our sincere appreciation of you, your team, and your company for the successful completion of the I-80, Big Springs – Brule project. Substantial completion was issued by NDOR on December 9, 2016.

Your company was an integral part of construction on this project, insuring its timely completion and assuring a project that everyone can be proud of. The effort and assistance that Allstates Pavement Recycling and Stabilization exemplified in working with IHC to maintain the schedule, uphold the highest standards of safety, and provide excellent quality is to be commended.

We look forward to future projects together.

Sincerely,

*Brett M. Clark*
